ORAL & FACIAL
SURGERY

POST OPERATIVE INSTRUCTIONS:
LIPOSUCTION

1. After surgery wear the “Face Bra” for 48 hours. This helps conform the skin to the shape of the underlying tissues. Continue to wear it at night for about two weeks.
2. Some bruising and swelling may persist for several weeks after surgery.
3. Some post-operative discomfort can be expected and medications will be prescribed to provide adequate relief.
4. Avoid strenuous physical activity, exercise, etc., for at least four days after surgery. After that, light activity/exercise for two weeks.

If any of these symptoms seem to be excessive contact the office.
